LÆRDALSØYRI PENSION

About Lærdalsøyri pension

Lærdalsøyri guesthouse is a small cultural guesthouse where you live in the same house as the host.

You can rent a room on the first floor and have access to the living room, kitchen, hallway and bathroom.

Lærdalsøyri guesthouse is located in a 200-year-old house in Old Town of Lærdalsøyri, which, among other things, has served as an official residence.

Lærdal Apotek was the first pharmacy to open outside the established cities in Norway. This happened in 1843.

A few years later, the pharmacy moved into the first floor of this building, and remained there for many years.

Occasionally, the host arranges small classical concerts and cultural events in the main living room of the house.
