VISITOR CENTRE WILD SALMON

About Visitor Centre Wild Salmon

Lærdal is home to one of four authorized wild salmon visitor centers in Norway. Here you can experience, explore, play and learn more about wild salmon.

We are open every day from May 1st to September 30th.

You can combine your visit with an art experience at Sogn Art Center and enjoy good local food at Laksen Bakery and Café. Both are located in the same building as us.

The center is also a good starting point for a walk along the river or the old protected wooden houses on Lærdalsøyri.
