Description

Steinklepp is a cozy campsite with simple standard, located just off the Kongevegen over Filefjell/King's road across Filefjell.

We are situated next to the Borgund river/Lærdal river.

Here are simple cabins, plenty of space for tent, campers and caravan. Sanitary facilities are separate.

You can fish brown trout in the river if you buy a fishing license.

We have playgrounds for the little ones.

We can offer horse riding for children, by appointment.

The campsite is only 2 kilometers away from a grocery store, pub and cafe, fast food.

From the campsite you can go hikes to Kvamsdalen, Volldalen and Tufteåsen.

Welcome!
